Dear Allamuchy Parents and Guardians,

The extraordinary weather conditions this week forced us to reconsider the schedule for PARCC exams for the remainder of the testing window. Please see the updated testing days and time periods for each grade level noted below for the PBA. We appreciate the flexibility our students, staff and parents have shown to ensure the continuation of instructional activities throughout the testing window.

ELA - writing effectively when analyzing text. (3 days)

Math - applying skills, concepts, and understandings to solve multi-step problems requiring abstract reasoning, precision, perseverance, and strategic use of tools. (2 days)

Make up testing will occur throughout the testing window if a student is absent on a day of scheduled testing.

Attendance on the scheduled testing dates is important. We encourage that you ensure a full night's sleep and appropriate breakfast choices throughout the school year, including days of testing. The first morning test session will begin directly after homeroom, so please ensure students are prompt and on time.

Thank you for all you do to support your child and education in our school. If you have any questions or concerns, please contact me at (908) 852-1894 x101.

Yours in Education,
