Mac's Nutrition News

On April 22nd everyone around the globe will be celebrating Earth Day. We feel the Earth deserves a bit more respect than that, so we are going to dedicate one full week to this momentous occasion. This month, in honor of the Earth, we are going to challenge you to focus on "Eating the Colors of the Rainbow". You can do this by choosing a variety of fruits and vegetables from every color found in the rainbow; more colors equals more variety, and more variety equals more ways to feed your body the healthy foods that help you feel good and thrive!

All Meals are Served with the Vegetable of the Day and/or a selection from Mac's Veggie Patch. Fruit of the Day and Low Fat Milk Choice
