ARTICLE 3: GRIEVANCE PROCEDURE

A. Definitions

The term “grievance” is an appeal of any alleged misinterpretation or misapplication of the terms and conditions of employment incorporated in the agreement including administrative policies and decisions affecting an employee or group of employees.

B. Purpose

The purpose of this procedure is to secure at the lowest possible administrative level, equitable solutions to the problems that may arise from time to time affecting terms and conditions of employment under this agreement. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the grievance procedure.

C. Procedure

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level shall be considered as a maximum and every reasonable effort should be made to expedite the process. The time limits may, however, be extended by mutual written agreement. In the event a grievance is filed at such time that it cannot be processed through all steps in this grievance procedure by the end of the school year, the time limits set forth herein shall be reduced so that the grievance may be exhausted prior to year-end or as soon thereafter as is practical.
2. Level One – Within thirty (30) calendar days of the occurrence giving rise to the grievance, an aggrieved employee shall institute action under the provisions hereof first discussing the grievance, either individually or in the presence of an Association member, with the CSA in an attempt to resolve the matter informally.
3. Level Two – If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One, or if no decision has been rendered within five (5) school days after presentation of the grievance, he may within five (5) school days, file the grievance in its entirety, in writing, to the CSA. The Chief School Administrator shall communicate his decision to the employee, in writing, with reasons, within five (5) school days of receipt of the written grievance.
4. Level Three – If the grievance is not resolved to the employee’s satisfaction, he/she, no later than five (5) school days after receipt of the CSA’s decision, may request a review by the Board of Education. The request shall be submitted in writing to the Board of Education. Upon request of the employee, the Board shall hold a hearing with the employee within thirty (30) calendar days, or the next regularly scheduled Board Meeting, whichever occurs first, and render a decision, in writing, with reasons, within twenty (20) calendar days after the hearing.
5. Level Four – Binding Arbitration
 - a. If the Association’s Executive Committee finds the grievance to be worthy of further consideration, it will, within twenty (20) school days, so notify the Board. Whereupon the Association may petition the Public Employee/Employer Relations Commission

(PERC) for the appointment of an arbitrator in accordance with the rules and regulations of said Association. The decision of the arbitrator shall be final and binding upon all parties insofar as it is consistent with prevailing law. Costs of arbitration shall be borne equally by the Board and the Association.

- b. The arbitrator is prohibited from modifying or reversing the Board unless it is shown that the Board was arbitrary, capricious, or illegal as those terms have been interpreted and applied in School Law Decisions of the Commissioner of Education, State Board of Education, and the reviewing judiciary.
- c. The arbitrator's decision shall be in writing with detailed findings, conclusions, and reasoning, and shall be submitted to the Board and the Association.

D. Miscellaneous

When an employee is not represented by the Association, a representative of the Association shall have the right to be present at all stages of the grievance procedure.

- 1. Vacation time will be granted to full time custodial employees as follows as of January 1, 2020:

given in emergency situations. The Superintendent or Supervisor of Buildings and Grounds must approve all vacations before they are taken.

Effective December 31, 2019, employees shall be permitted to rollover five (5) unused vacation days from one school year to the next. Any vacation days rolled over into a succeeding school year must be used during that year, consistent with N.J.S.A.18A:30-9. Should an employee rollover more than five (5) unused vacation days from 2018-2019 school year into 2019-2020 school year, any such days not used by June 30, 2020 shall be immediately reduced on July 1, 2020 to five (5).

Vacations will be granted only at times of the year when they will not interfere with the regular operations of the school. Exceptions may be granted with prior approval by the Superintendent.

Payment of salary in lieu of vacation is prohibited.

If a person leaves employment prior to the end of their contract year, vacation days are prorated.

Vacation eligibility shall be determined as of July 1 of each year.

2. Vacation times shall be scheduled to coordinate with the work schedule and shall be subject to the approval of the immediate supervisor. Such approval shall not be arbitrarily withheld.
 3. Vacation use will be limited to a maximum of ten (10) workdays in any given month. Once granted, vacations will not be disallowed except in extreme emergencies. Disputes are to be appealed to the Superintendent.
 4. Employees hired during the school year will earn vacation days each month worked.

All custodian and maintenance employees shall receive twelve (12) sick days per, or prorated at one per month of employment, allotted on July 1st, or for the first day of employment if hired mid-year. 2. An overtime list developed by the Supervisor of Buildings and Grounds shall be established indicating seniority in the school and category of employment. An operating list for overtime shall be set up so that the most senior employee is offered the first available overtime duty commencing July 1 of each year. If the most senior employee turns down the overtime, then overtime duty is offered to the next senior employee, and so on, until an employee accepts the overtime duty. Each subsequent overtime duty continuing through June 30 of each year will then be first offered to the employee who is next on the seniority list, after the employee who accepted the most recent overtime duty. Those employees who turn down the overtime duty with the refusal will be noted on the overtime list. The concept of this seniority operating list is to set up an overtime list by school location in order to offer overtime duty to the most senior employee first; but, also, to equalize the overtime duty among employees.

5. Waiver of Insurance

Any employee who waives medical, dental and/or prescription insurance coverage for themselves and/or any eligible dependents, will be paid according twenty nine percent (29%) of the applicable annual premium for any year during the term of the contract.

The waiver rates are for a full year and payment of such a waiver shall occur in December (4 months) and June (8 months) of the academic year when the waiver was selected. For shorter periods the waiver will be prorated. If the carrier allows, employees may selectively waive their choice among the medical, dental and/or prescription plans. Reinstatement under a plan's insurance coverage at any other time of the year is limited to instances when the employee or their eligible dependent(s) loses coverage as a dependent under their spouse's insurance plan. Reinstatement under this circumstance will be immediate and without restriction or penalty. Status of insurance would be the same as prior to waiver.

The waiver rate will be calculated from the base plan, which for the purpose of this contract shall be defined as the POS plan. Employees interested in the waiver must present proof of alternate coverage to the Board Secretary in order to be eligible.

Bus drivers who elect to waive their coverage shall be eligible for compensation in accordance with this Article, with an annual cap of \$2,500.

Any employee hired after September 3, 2008 who chooses to take the waiver will receive it at the single coverage rate regardless of family status.

6. Any change in insurance carrier, which, therefore, results in a decrease to the benefit structure of that type of insurance, must be agreed upon, in writing, by both parties.
