

Empower your student to be “Safe, Strong and Free”

This workshop trains adults in appropriate intervention and offers students, grades K through 8th, strategies to deal with bullying issues.

Our school is providing Bullying Prevention Workshops for ALL Grade Students. These workshops will help students:

- Stand up for themselves and the rights of others.
- Understand why bullying happens.
- Recognize the consequences of bullying behavior.
- Identify methods to help prevent bullying?

Reinforce these strategies at home by attending the Parent Workshop
