# Allamuchy Preschool

Discover. Learn. Grow.

## About Us

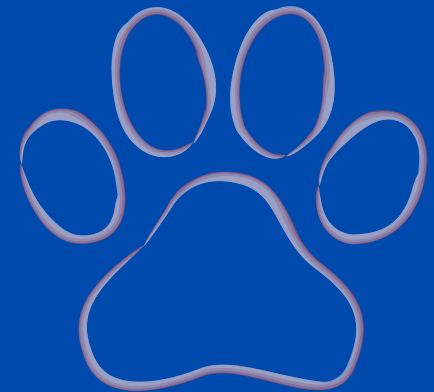

The central focus of The Allamuchy Preschool is to foster growth and development among children and their families. We provide structured activities, a carefully controlled, safe environment, and tender care from experienced, certified staff that provide only the highest quality of childcare. It is our goal to provide safety, security and consistency combined with a fun and positive learning environment.

"We infuse social skills and academics with playtime to generate a solid foundation to prepare students for kindergarten."

## Registration Process

Registration packet can be found and completed on our website:
