Allamuchy Preschool Toilet Training Requirements

What is Toilet Trained?

The children enrolled in Allamuchy Preschool and Summer Camp **MUST** be toilet trained. We consider a child toilet trained if:

1. They can tell us, using their words, when they need to use the bathroom. While we do try to keep an eye out for wiggling, jigglings, and dancing kids, and send them to the bathroom, staff are often involved with other children and it can be difficult to remind all children to go to the bathroom. When we wash hands for snack, lunch and before outdoor play time we encourage all to use the toilet.
2. Children must wear underpants. A child wearing pull-ups or diapers would not be considered toilet trained.
3. The child must be able to undress and dress him/herself before and after using the toilet. Please consider dressing your child in clothing that he/she can manipulate without adult assistance. Belts, overalls and tights can be too hard for a preschooler to manage on their own.
4. If a child has a number of recurring accidents, then they are not considered to be toilet trained and may be asked to leave the program.
