RE: Bus Challenges

Dear Allamuchy Parents and Guardians,

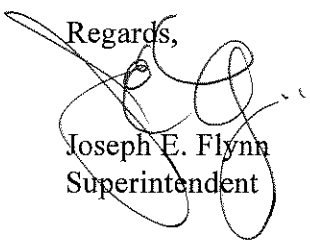

I would like to share with you that we are continuing to work on the challenges regarding the bus routes. As I shared with you in a letter dated February 1, 2019, there are a few factors that are causing the challenges. We are working toward a solution and as we work toward the solution there may be times that we need to adjust bus runs.

When those adjustments are made, students will be on a different run and possibly a different bus. We will continue to communicate those changes when necessary through the instant alert system. In addition, we will make effort to communicate those changes in a timely fashion to allow for appropriate planning.

Our goal is to ensure that all students are transported safely to and from school. Should you have any concerns regarding pickup or drop off at a particular stop at any time, please call the school immediately, so we can address the concern. We truly appreciate your patience as we work through a more permanent solution.

Thank you for your continued support. Should you have any questions, please feel free to contact me. Have a wonderful weekend.

Regards,

Joseph E. Flynn
Superintendent
