RE: Busing Routes

Dear Parents and Guardians,

After analyzing the current bus routes, arrival and departure times, along with the recent opening of Mallard Drive, we will be instituting some changes to the routes serving our students at the Elementary level and the High School level. To ensure we can make the changes with the least amount of confusion and for it to happen effectively and efficiently, we have decided to roll out the changes in a two stage process.

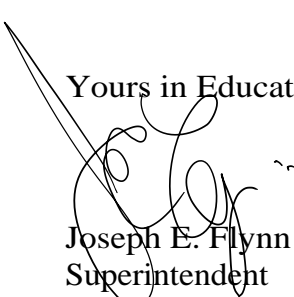

Stage 1 – Adjustments will be made to the routes each individual driver is assigned, along with minor adjustments to the pick-up and drop off time at individual bus stops. **This will take effect on Wednesday, October 9th 2019.** Please refer to the [website](#) for the adjustments to the bus stop times.

Stage 2 – Adjustments will be made to specific student bus assignments. With the opening of Mallard Drive, we have reviewed the runs that are associated with those stops. **These adjustments will take effect on or about October 28th, 2019.** Again, we will notify any parents/guardians of any changes to stops/buses prior to the change taking effect.

We have increased our staffing in the area of transportation and will continue to do so based on the needs of our district. We also have examined our fleet of buses and we are in the process of adding an additional bus to the fleet; this vehicle will be on the road as soon as possible.

Should you have any questions, please feel free to contact my office. As always, we truly appreciate all the support that you give to the Allamuchy Township School District.

Yours in Education,

Joseph E. Flynn
Superintendent
