RE: Delayed Opening for Wednesday, December 4, 2019

Allamuchy Families,

I would like to share with all of you that your children were AWESOME today! We had ALL students at the Allamuchy Township School for the day and the staff and students handled the change very well.

With regard to Wednesday, December 4<sup>th</sup>, 2019, we have scheduled a **2 HOUR DELAYED OPENING** based on road closures and power outages across Allamuchy. We have several plans based on the road opening on Route 517 near Mountain Villa School.

If certain road closures are not reopened by 8:30 AM, an instant alert will be sent out for MVS students to be dropped off at ATS. If this occurs, the district will bus students, with the assistance of our School Resource Trooper, to MVS for instruction to occur in student classrooms. Further information regarding dismissal will be provided if necessary.

We THANK YOU very much for your anticipated cooperation and flexibility.

Thank you again and have a great evening!

Warmest Regards,

Joseph E. Flynn  
Superintendent
