RE: Grab and Go Lunch

Dear Allamuchy Families and Community,

The Allamuchy Township School District offers a lunch program through Maschio's Food Service. With returning to school in a Hybrid Model, we would like to ensure those interested in ordering a "Grab and Go" lunch can do so. With that said, we have created a Google Form that will allow you to order lunch. Lunches will be charged to your Maschio's Food Service account, accordingly, based on the cost of the lunch per Allamuchy Township School District pricing structure.

The Allamuchy School District participates in the National School Lunch Program. The application to apply for this program can be found by [Clicking Here](#).

Should you be interested in ordering lunch for your child through the Maschio's Food Service. You can access that order form by [Clicking Here](#).

Lunch is available to ALL students in each of the three Cohorts. Lunches will be prepared and distributed to students in several ways, based on the day(s) the lunch is ordered.

- If students are in person, the lunch will be distributed to them to take home.
- If the student is virtual, the lunch will be delivered to the address on record with the Allamuchy Township School District.

NOTE – We may distribute and/or deliver more than one lunch on a particular day, based on the day the lunch was ordered.

If you have any questions regarding food service, please contact the Allamuchy Township School front office at 908-852-1894 MVS EXT 300 and ATS EXT 100.

Thank you and have a great weekend.

Sincerely,

Joseph E. Flynn
Superintendent
