RE: School Nutrition Lunch Program

Dear Allamuchy Families and Community,

We have been notified by Maschio's Food Service, Inc. that the United States Department of Agriculture in cooperation with our schools will offer free meals to ALL children aged 18 and under at no charge to minimize the continued challenges of meal service during COVID-19. The offer of free meals for ALL children aged 18 and under will be available for **the remainder of the school year**.

Every in-person student will be provided with a "grab and go" or "heat and eat" lunch everyday that s/he is in school. Blue Cohort students will receive a lunch on Monday and two lunches on Tuesday (so that they will have a lunch for Wednesday). For the Gold Cohort, students will be handed a lunch on both Thursday and Friday.

When students are virtual, please continue to utilize the online order form so that deliveries can be made. Blue Cohort can order for Thursdays and Fridays (these lunches will be delivered on Thursdays). Gold Cohort can place an order on Monday for a lunch on Monday, Tuesday, and Wednesday (these lunches will be delivered on Monday). All students who are 100% virtual will continue to order in the same way as earlier in the school year.

In-person students will be provided lunch regardless of orders. When students are virtual, an order must be placed. Please [CLICK HERE](#) and follow the instructions for requesting lunch.

We thank our cafeteria partner Maschio's for working with us to keep our community fed during this challenging time. If you have any questions regarding food service, please contact the Allamuchy Township School front office at 908-852-1894 MVS EXT 300 and ATS EXT 100.

Yours in Education,

ATSD Admins
