October 25, 2019

Dear Allamuchy Parents and Guardians,

My hope is that this letter finds you and your family well! I am writing to you today to share that today was the last day for our current Spanish teacher, Dr. LoPresti. We have been working toward hiring a new Spanish Teacher for the district. We have made a recommendation to the Board and expect the approval of the new hire at our next Board Meeting to be held Monday, October 28, 2019.

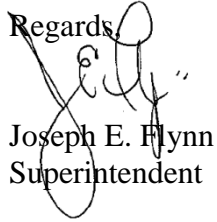

The Allamuchy Township School District prides itself on securing teaching professionals that not only have the ability to deliver the instruction of a particular content area, but also have the attributes that match the mission and philosophy of the Allamuchy Township School District. Please understand that with any new hire, there is a process that needs to be followed to secure and subsequently start in our district. We have reached out to the candidate to start the process of fulfilling those requirements and anticipate a start date by the new year (January 2020) or sooner.

In the meant time, Mr. Gorman, our permanent substitute for the district will be filling the position. He has been a permanent substitute for the district for several years and knows our students well. He will be an asset until our new hire can begin.

Dr. LoPresti and the new candidate will work collaboratively for a smooth transition from the first marking period to the second marking period. Grading and special assessment scores for MP1 are currently being completed. Formal grading will commence for MP2 when the new teacher starts.

Thank you for your attention to this matter and should you have any questions please do not hesitate to contact my office. As we move into the fall season, I hope that you and your family will enjoy this beautiful weather and have a great Halloween.

Regards,

Joseph E. Flynn
Superintendent
