

Welcome to Mountain Villa Kindergarten!

♥ Welcome to Kindergarten

If your child will be 5 years old by October 1st of this year, he or she is eligible to attend Kindergarten this September. We invite your child to come and spend time now, during the 2019-2020 school year, in the Kindergarten classrooms at Mountain Villa School. See how school can be such a fun and exciting place to learn!

We want to help with the transition next year from home to school. We invite your child to come and see that our full day Kindergarten is a happy place. Your child will have three opportunities to visit us this Spring. Your child will spend time with the teachers and current students to learn what Kindergarten is all about. He or she is invited to attend all three sessions. This is an excellent transition experience for preschoolers...feel free to contact us and find out about this exciting program for your incoming Kindergarten.
