Public comment shall be governed by the Board of Education Bylaw 0167. There are two public comment opportunities. The first public comment is reserved for Action Items only, those items on the agenda the Board is voting on this evening. The second public comment is set aside for public comment on any school or school district issue that the public feels may be of concern to the residents of the school district. The first public comment is limited to five (5) minutes per person. The second public comment length is determined by the board as per policy.

Before making a public comment, participants are to state their name, place of residence, and group affiliation if appropriate.

The Board uses the public comment period as an opportunity to listen to citizen concerns, but please be aware that not all issues brought to a board meeting will be resolved this evening; rather, the Board will, in appropriate cases, delegate the authority to investigate the matter to the Superintendent or his designee.

Please let the record reflect that the Board of Education does not endorse your comments nor will the Board of Education be held liable for comments you make about a staff member or other person which the staff member or other person may consider defamatory and/or libelous, as that individual retains all rights to pursue any legal remedies against you.
