SUPERINTENDENT’S REPORT

OPERATIONS:

- **Mountain Villa Campus/Allamuchy Township School**

 - The custodial staff are moving along to finish their summer cleaning in ATS and MVS, they have been working hard to ensure the buildings are ready to open. We tried something new this year and while MVS was used for the ESY and Enrichment, we had all staff at ATS and when we had the asbestos work completed they were working outside and at MVS. This was very beneficial to the overall cleaning process. We are going to evaluate and plan accordingly for next year.
 - ATS parking lot was crack filled, sealed and lines were painted. The custodial staff also worked on the front landscaping and the appearance of both buildings. It looks AWESOME!
 - We have completed the asbestos removal in the L hallway near the Media Center and that area is receiving a new ceiling and new tile floors.
 - We have completed the tile work in the last room in the middle school and all of the old carpet has been removed from the building.
 - We have analyzed the bus routes for the district, along with moving from numbers to colors as names of the routes. In addition, we moved back to 4 runs at the High School level to be more efficient as we provide services to Hackettstown for their bussing.

- **Rutherford Hall**

 - Summer camps went very well. We had the morning camps with the Harry Potter theme and this is the second year with the afternoon camps with Nick Serraino running the outdoor adventure camps. In addition, we provided field trip opportunities for the YMCA to come on site for the summer that went very well. There is a debriefing meeting scheduled for Tuesday, September 24th with both YMCAs to discuss future visits throughout the school year.
 - We received permission to install the temporary dock at the existing patio area near the lake. That consists of a land platform and a floating dock. This will allow for increased opportunity at Rutherford Hall
 - The Allamuchy Country Fair is scheduled for September 6th – 8th, with fireworks on Saturday. In addition to all the activities, there will be a corn hole tournament, get your team ready. Visit rutherfordhall.org for details.
 - Capital Campaign is out of its silent phase and in to the public phase after the meet and greet early this summer.

 - Boating trips planned for grades 2-8 next year in fall and spring - We have spent a great deal of time with the boating program. Having an Outdoor Coordinator at each building has allowed for greater opportunity in this area. We will be looking to expand this to allow outside districts to come to Allamuchy. We began this past summer with the YMCA camps coming to Rutherford Hall.
 - 2019-2020 Calendar: Hackettstown changed calendar - Unfortunately as much we want to stay as close to Hackettstown’s Calendar. They made some changes to their calendar last minute based on Contractual reasons.
 - Chromebook Insurance - We will be implementing a chromebook insurance program this year that will require a fee charged to the student’s family of \$25.00 per student for the year (8th grade 2019-2020 and 2020-201 fee will be \$50.00). It will allow for coverage for the chromebook. At the end of the 4 years a student has the Chromebook, they will have the opportunity to take the Chromebook with they when they leave Allamuchy as 8th graders at no extra charge.
 - After school activities moving forward - We have received proposals from the staff, we have reviewed those proposals and will be making recommendations accordingly for our After-School activities.
 - 3rd grade enrollment numbers - Our numbers in the 3rd grade is increasing, based on that we are moving to three sections. We have an opening in the 4th grade and have hired an in-house candidate after reviewing applications and interviewing. The candidate has a strong LA/L background and served as the Basic Skills Instructor for the district last year. With the BSI position being opened, we had another candidate that would fit that position well, she was not interested in PT, so we will be posting and filling that position at a later date.

<ul style="list-style-type: none">• Kindergarten enrollment numbers - We will have 2 sections this year• Class sizes- elementary & middle school - There is a need for a Special Education Resource Room Teacher for .25 per day, we have posted and the position is difficult to fill.
