Re: 6-Month Periodic Inspection of Asbestos Management Plan

OSHA/EPA/DOT
Training Programs

Dear Donna Trainello:

Asbestos and Lead
Management

In accordance with the requirement of EPA AHERA under 40 CFR 763.92, attached hereto are 6 Month Periodic Inspection reports on the Asbestos Management Plan for the Allamuchy Township School District.

Industrial Hygiene/
OSHA Compliance

Attached to the building report are the inspection report forms, which summarize our findings and give our recommendations shown as current response actions. The forms list all asbestos and assumed asbestos materials. It is recommended that all assumed materials undergo sampling in order to verify the presence of asbestos.

Indoor Air Quality

Underground/
Aboveground
Storage Tanks

The attached report and forms should be integrated into both the AHERA Management Plan at each individual school building and at the board offices (your office). If you have any questions regarding the attached reports, please do not hesitate to call us.
